CURRENT CHALLENGES IN HUMANITARIAN ACTION

The conference aims to bring together different perspectives on current issues facing humanitarian aid worldwide. Through providing an academic forum for international and local entities engaged in humanitarian action, the conference enables the dynamic exchange between institutional, legal and practical perspectives of responding to challenges.

14:30 – 18:15

"World Humanitarian Summit - what's next?" / (Tyszkiewicz-Potocki Palace, Grand Ball Room)

Discussion on how to implement the conclusions from WHS and presentation of the results of NOHA students' projects ascertaining how the recommendations formulated during the European Humanitarian Roundtables were taken forward and reflected in the conclusions from WHS.

Part 1: various actors, including a representative of the European Commission, will give presentations on their standpoint on the way to implement WHS conclusions with students presenting their views on the results of these analyses;

Part 2: three separate workshops, each focussing on a group of conclusions from WHS during which all the participants will be actively taking part in discussing the manner of implementing the conclusions from WHS from their own perspective or that of their organisations.

18:15 – 20:00

Refreshments / (Tyszkiewicz-Potocki Palace, Grand Ball Room)
